July's featured Golden Retriever is Ginger

Everyone adores Ginger! She is a sweet red girl with that white sugar face that we just love. She is an affectionate and loving girl who gets along well with other dogs as well as cats. All she requires is a pat on the head and a few kind words and she's happy, happy, happy. She loves going outside, and spends parts of the day just lying by the pool (what a life!).

Among others currently waiting for their forever homes:

- **Clancy**, age 5, an eager boy who loves to run and play.
- **Maddie**, age 2, a cuddle bug who is really good with kids.
